Gentlemen:

I have a coin in my possession dated 1595. It is a foreign coin, but cannot make out the Country. Being work down it is rather difficult to make outthe full inscription on it, however I am enclosing an impression of each side of the coin and what is on both sides of it as far as I can make out.

Would appreciat it very much if you can give me any information on this coin and what its value might be.

Thanking you for this information, I am,

Very truly,

(Mrs) Jane Fabbo.

Dear Madam:

Your coin is a 3 grossus piece struck by SigismundIII, King of Poland. The piece was struck at the city of Riga. It is not rare, and in fact is common, and at best is worth about 15¢.

Very truly yours,

HW:JG
